We aim to produce a bi-monthly newsletter and if something really important or interesting happens we will endeavour to bring you the news as soon as possible – or even sooner!

So we kick off Newsletter Number One (Hooray!) with some news about our Audiobooks. Kent Libraries have now began stocking them with a trial involving their Libraries in the north-west corner of the county which is importantly the closest to London.

All four audiobook CD's (all written by Tony Brown and read by Tony Frost) are being stocked:-

Charlie and the Hot Air Balloon	ISBN: 978-1-906541-00-2
Charlie and the Wild West Rodeo	ISBN: 978-1-906541-06-4
Charlie, the Spacehorse Star	ISBN: 978-1-906541-01-9
Carlos the Cartwheel	ISBN: 978-1-906541-04-0

Our website designing team at [Dynamic Web Concepts](#) recently relocated to West Sussex but we are pleased to report that we are still in easy reach and constantly meet up to review the ever-changing situation with websites and the internet. If you are in need of a website designer then look no further [[click here](#)] for link to their website.

We hope you are pleasantly surprised with Charlie's **New Look** website which was planned and developed in close association with the 'Dynamic Team'. The latest innovations with the changed design enables our viewers and supporters to browse our new **CHILDREN'S PRODUCTS ADVERTISING PLATFORM** that we are calling ...

["Charlie's Market Place"](#)

Please tell your friends and also **'bookmark'** us.

NEWS OF A NEW DEVELOPMENT ON CHARLIE'S WEBSITE:

Charlie the Hobby Horse Hero is launching "CHARLIE'S HOBBY HORSE & PONY CORNER'. This is where we encourage you to send in to us one or two of your favourite photos or drawings of anything to do with Horses or Ponies. It can be your favourite Hobby Horse (we'll forgive you if you say you have another favourite besides Charlie!) or Rocking Horse and can

also be of a real horse or pony that you are riding or perhaps you have taken a photo or drawn a picture of.

Please [click here] for more information on how to send your pictures to us and as always when doing anything on the internet ... PLEASE LET MUM AND DAD KNOW WHAT YOU ARE PLANNING TO DO!

NEW FEATURE IN THE FUTURE

We are keen to let our viewers and supporters have all the up-to-date information about the latest children's toys, games etc whether they are of the brand new Hi-tech type toys and games or if they are produced in the more Traditional style. For the next planned 'Charlie's Newsletter' (August/September 2009) we are looking to promote up to TWO different websites/businesses that produce TRADITIONAL TOYS especially HOBBY HORSES and ROCKING HORSES. The first two emails from interested parties who desire to have their business represented shall be allocated space in 'Charlie's Newsletter' (maximum words: 200) with a link to their website. Those that apply but have been 'beaten to the post' shall be held in reserve and shall be contacted with regards to a later entry in 'Charlie's Newsletter'.

Please send details to enquiries@charliehorsepublishing.co.uk

A NEW 'CHARLIE THE HOBBY HORSE HERO' story that has being written is a new Christmas Adventure. This involves all the traditional characters and animals associated with a traditional Christmas including Santa's sister. As usual our fantastic team will be hard at work over the next few months; Tony Frost will be doing the narration and Kelly Dorman will produce the pictures. Tony Frost and Tony Brown will also be recording some new songs to accompany the story. Also our Sound Effects Studio and Animation Studios will be kept very busy.

That's all for this issue of "Charlie's Newsletter" but don't forget if you would like to tell us about something special that you have discovered that you think our viewers and supporters will be interested in, please send your ideas to us at enquiries@charliehorsepublioshing.co.uk or use the dedicated contact form.

Cheerio for now!
